our mission

At the Glazer Children's Museum, we create and foster engaging, impactful PLAY experiences for children and families to learn and thrive.

thank you

Your generosity will impact many vital programs, such as field trip scholarships for Title One Schools. Thanks to you, students will experience unforgettable field trips, regardless of their ability to pay.

Together, we will ensure that financial barriers do not hinder a child's access to the transformative power of play-based learning.

Your support will foster an inclusive and accessible space for children to dream big, discover their passions, and develop key skills to successfully thrive in our rapidly evolving world. The scholarships made possible by your generous donation will empower young learners to unlock their full potential, sparking a lifelong love for learning while encouraging creativity and innovation.

The impact of your contribution will ripple through the lives of countless children and their families, leaving an enduring legacy of positive change in our community. By investing in the education and well-being of our children, you have invested in a brighter and more promising future for all. Thank you for igniting the spark of curiosity and nurturing the potential that resides in each child.
